Dear Mr. Coltrin:

The purpose of this letter is to request that LDEQ waive the applicable certification fees for the Asbestos Inspector Training. This waiver would be for the following personnel: Jeffrey Wright, Scott Johnson, Craig Carter, Robert Sherman, Donovan Allison, and Maxie T. Lee who are employed by our Superfund Technical Assessment and Response Team (START) Contractor, Ecology & Environment, Inc.

These individuals will utilize this asbestos training certification only while conducting work under the direction of EPA and the START contract. No commercial work would be done utilizing this training.

Thank you for your assistance in this matter. Please call me at (214) 665-6748, if you have any questions.

Sincerely yours,

John Martin
